

NWIRP DACA Clinics for Renewals

Does your DACA work permit expire within the next 5 months?

If so, we are having free legal clinics where a volunteer can help you fill out the forms for your renewal. Please call 206-587-4009 to schedule an appointment for one of these dates. You must have an appointment to attend, and please bring your previously submitted DACA application, work permit, and approval notice.

Please note that we do not know what will happen to the DACA program, and there is a risk that your application may be denied if it ends.
